INTERNSHIP EXPERIENCE

Full Stack Web Developer Intern — Future Intern May 2025 – Jul 2025
Developed and deployed responsive web applications using React.js and Node.js, building reusable UI components and MongoDB-backed REST APIs across multiple client projects.
Contributed to Git-based version control workflows, maintained clean component architecture, and participated in code reviews.

PROJECTS

ClenorX Foundation — Financial Literacy NGO Platform 2025
Next.js, React.js, Tailwind CSS, Vercel | clenorx-foundation-1.vercel.app
Designed and built a full-stack NGO platform empowering children and SHGs in rural Karnataka with financial literacy education — volunteer registration, donation portal, and contact system.
Deployed on Vercel with mobile-responsive design, reaching 500+ students and SHG members across Tier-3 cities in Karnataka.
Anvesync — Workforce Management Platform 2026
Next.js, TypeScript, Prisma, Tailwind CSS, PostgreSQL
Built a full-stack HR platform with employee records, location-aware attendance, leave management, and admin analytics with role-based access control (Admin / Manager / Employee).
Implemented secure Next.js API routes backed by Prisma ORM and PostgreSQL for scalable multi-role data access.
